only available in
the door styles
illustrated.

Choice of standard door colours

All the door styles are available in the following 7 woodgrain colours:

Choice of bespoke door colours

Our new colourbonding service is now available for both door slabs and frames.

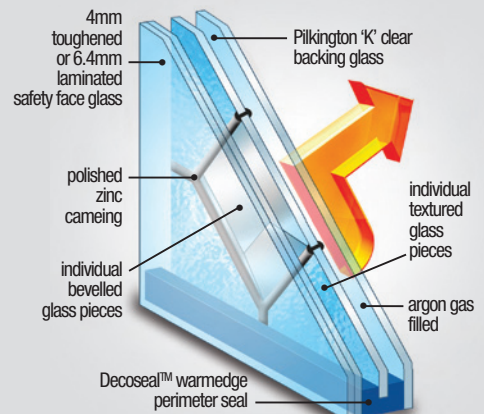

Choice of frame profile

As well as a choice of doorstyle, colour and decorative glass, you can now also choose from one of our two frame options to complete your preferred look. The frame is also available in a matching foil to our Gold Oak and Rose Wood finish doors.

Chamfered

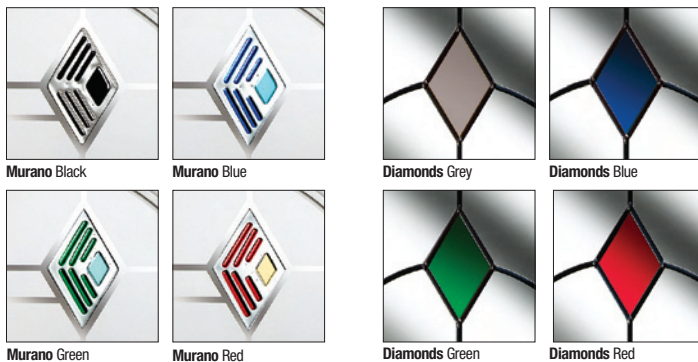

Sculptured

Triple glazed glass for added performance

Our triple glazed Clarity, Diamond Cut, Elegance, Flair, Prairie, Royale and Simplicity designs combine great aesthetics with high performance, offering improved sound and thermal insulating qualities.

Choice of decorative glass colour
